WARWICK Olde England White

Olde England White QUEENSBURY

BUCKINGHAM Olde England White with a Solid Oak Wrap

Olde England White with a Solid Beech Shelf EARLSDON

# OLDE ENGLAND COLLECTION

The Olde England Collection offers simplistic and contemporary designs in a pure smooth magnolia finish. Clean and neutral, these mantels will create a stunning focal point in any living room. The Earlsdon and Buckingham mantels come with the advantage of customised wraps and shelves in any choice of solid woods.

YORKSHIRE Medium Pine

GALLOWAY Stripped Pine

Light Pine MORAY

Medium Waxed Pine CHESHIRE

# SOLID PINE COLLECTION

Our pine is sourced from the forests of North America. Southern Yellow Pine is very dense and hard wearing by nature. It possesses striking decorative knots and is kiln dried to ensure that no warping occurs before or after production. To enhance its beauty, we stain the wood with different shades of colour, and offer the option of waxed matt or sprayed lacquer finish.

HENLEY Beech with Matching Mirror

Beech with Matching Mirror MAYFAIR

ALDERLEY Beech

Beech NEWBURY

# SOLID BEECH COLLECTION

We obtain our beech from Eastern Europe. Upon arrival, the beech is steamed throughout to enhance the wood grain and prevent twisting. We treat the beech with a clear lacquer to protect the wood and emphasise its distinctive natural colour. The range incorporates contemporary and modern designs.

# CAPITAL COLLECTION

Style and opulence are at the very heart of this ultra modern range. A mixture of solid European Oak and veneer are combined to bring a quality and strength to this subtle and yet undeniably eye catching collection. To compliment the standard clear oak model, we have added the warm and chic Walnut finish along with the deep rich Mango colour for a truly fresh alternative.

Each mantel in the Capital Collection comes with the option of spotlights controlled by a subtly placed undershelf switch.

**Electric Fires**

All our electric fires feature 3 heat settings

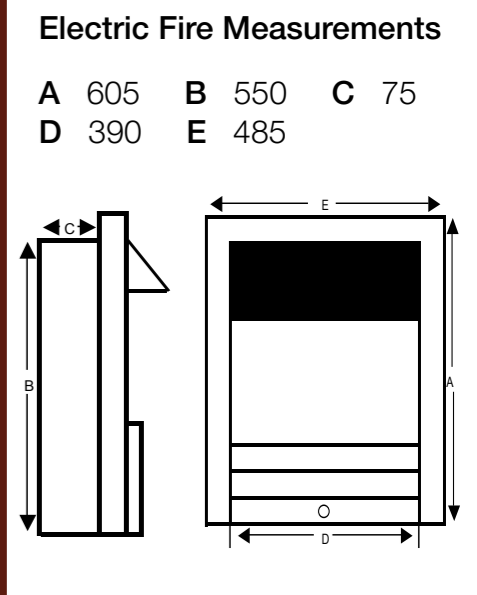

- Flame Effect Only
- 1 Kw Heat Output
- 2 Kw Heat Output

**Technical Information**

- A 75mm Spacer Bar is available to enable flat wall installations.
- The Discovery is supplied with a 4 Sided Trim for wall mounted installations and has an overall depth of 110mm.
- The Resolution is supplied without a Fret, to enable personal selection.

DISCOVERY Brushed Steel

# HANG ON THE WALL

Ideal for any home, our no rebate electric suites are easy to install and irresistible to the eye. Both designs come complete with the Discovery fire, choose from a range of wood finishes to shape the look that suits your choice of room décor.

# ELECTRIC FIRE COLLECTION

Boasting a dynamic and revolutionary ribbon flame effect across the range, this Collection has the flamboyance and versatility required to suit all tastes. The Endeavour & Discovery come complete with their own unique front and corresponding canopy and the Resolution fire has a more traditional feel with a universal black canopy and the ability to personalise the fire by selecting your own Fret.

# ABOUT US...

**GB Mantels Ltd. is a leading manufacturer of timber fire surrounds and electric fires with an established reputation for quality and excellence. Based in the heart of Yorkshire, our factory blends the latest technology with the age old experience of quality British craftsmanship to create what we believe to be the most versatile and varied ranges of wooden mantelpieces and electric fires available today.**

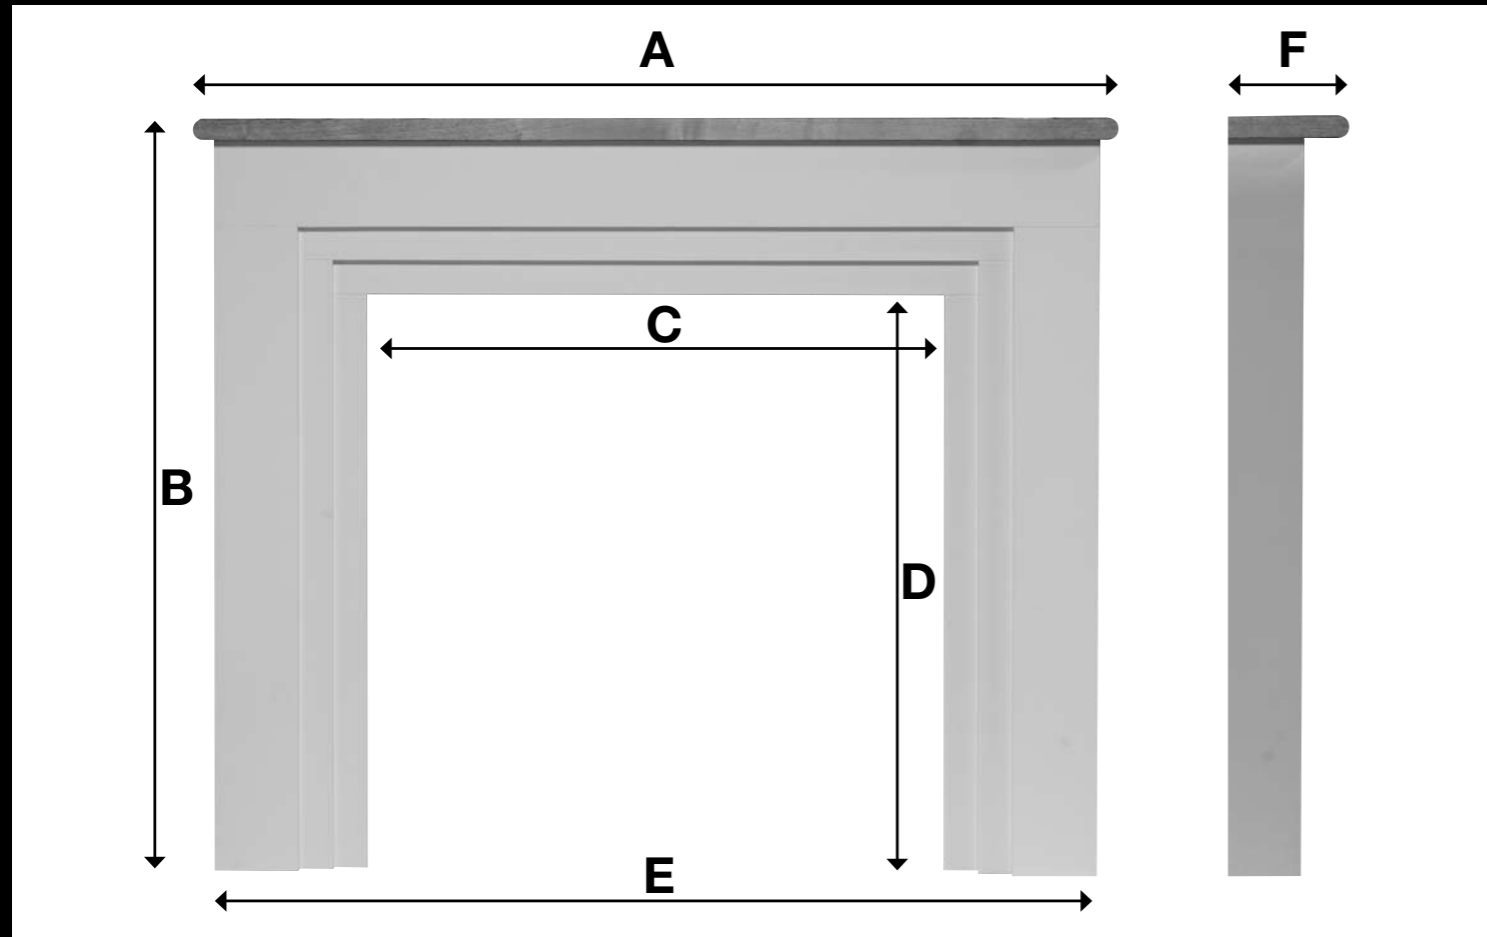

We endeavour to stay ahead of the market by introducing stylish and original designs manufactured in Yorkshire using only the most reliable and majestic woods sourced from around the world. The beauty of our natural timbers ensures that each mantel bears distinctive hallmarks bestowing its own unique character and identity. These natural products come only from professionally managed plantations with guaranteed forest replenishment schemes to offset our carbon footprint and protect the world for our future generations.

Our 2007/08 collection offers a wide variety of mantelpieces and electric fires. Each individual collection highlights the available timber or colour options. The measurements for our fires are to be found on the previous page and our mantel dimensions are found the adjoining page. As our mantels are not imported, but hand made in our factory, we offer a bespoke made to measure service (ask your retailer for details and costs) to ensure that your every fireplace need is catered for.

So let GB Mantels help you to create that warm welcoming fireplace you've always wanted, then sit back and relax safe in the knowledge that your fireplace has been crafted from the finest natural materials and treated with absolute tender loving care.
